KITCHEN RENOVATIONS COMPANY OF THE YEAR

1066 Kitchens

1066 Kitchens specialises in creating bespoke kitchens that blend functionality with timeless design. From initial consultation and 3D visualisation to supply and full installation, the team ensures every detail is tailored to suit each client's lifestyle. Led by Patrick Thompson, who brings nearly a decade of design experience and a background in property management and development, 1066 Kitchens combines creativity, precision, and professionalism. Patrick's diverse experiences, including a career in music and global travel, inspire fresh perspectives and innovative solutions for every project, helping clients transform their homes with spaces that reflect their tastes, needs, and dreams.

The judges were particularly impressed by 1066 Kitchens' commitment to British craftsmanship, seamless client collaboration, and attention to detail. They noted the company's ability to deliver fully bespoke kitchens while maintaining a smooth, stress-free process from design to installation. Patrick's holistic approach, blending creativity with technical expertise, ensures each kitchen is both beautiful and practical. The judges highlighted how the company's local knowledge and dedication to enhancing homes across the 1066 region make it stand out as a trusted, high-quality design and installation service.
